

# Connect the Classroom Phase 2

To be considered for DfE's fully funded Connect the Classroom initiative launching Spring 2025, schools must:

- Be contacted directly by the Department for Education (DfE)
- Have outdated or insufficient Wi-Fi and network infrastructure
- Need to meet the DfE Digital Standards for Schools by 2030

## How Remedian IT Supports Your School

We help you every step of the way—from DfE eligibility checks to full installation. Our experts:

- Conduct a free network assessment
- Assist with all funding documentation
- Handle installation with minimal disruption
